

Bolt cutter - 596/6A

Description

- material: cutters - special tool steel, drop forged, entirely hardened and tempered
- cutting edges separately induction hardened
- tube steel handles, lacquered, heavy duty plastic handles
-

Advantages:

- shock-absorbers on the joints absorb shocks on the handles, which happen when cutting reinforcing rod
- protection of the excentric screws for adjustment of blades with forged recesses ensures 100% protection against unscrewing
